Introduction

This booklet provides a list of BCN Advantage's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and BCN Advantage's formulary. If you have additional questions, please call Customer Service at 1-800-450-3680, 8 a.m. to 8 p.m. seven days a week. TTY/TDD users should call 1-800-430-3211. Or, visit www.MiBCN.com/medicare.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by BCN Advantage. In most cases, your prescriptions are covered under BCN Advantage only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

Preferred pharmacies are pharmacies in our network in which our Plan has negotiated lower cost-sharing for its plan members for covered prescription drugs than at non-preferred pharmacies. However, you will still have access to lower drug prices at non-preferred pharmacies than at out-of-network pharmacies. You may go to either of these types of network pharmacies to receive your covered prescription drugs.

You will only pay 2½ times your normal copayment amount for a 90-day supply of medication at a preferred pharmacy. You will pay 3 times your copayment amount for a 90-day supply of medication at a non-preferred (standard) pharmacy. You cannot obtain a 90-day supply of medication from a non 90-day pharmacy. A 90-day supply of medication is available only at pharmacies that are marked as "90-day preferred" or "90-day standard." You may go to either of these types of pharmacies to receive your covered prescription drugs. These pharmacies are identified in this directory as (S) for Standard and (P) for Preferred.

BCN Advantage Service Area

You are always covered for emergency and urgent care anywhere in Michigan, the nation or the world.

BCN Advantage HMO is a health plan with a Medicare contract. It is available through Blue Care Network, a nonprofit health maintenance organization and wholly owned subsidiary of Blue Cross Blue Shield of Michigan. BCN Advantage is open to all individuals eligible for Medicare residing in the BCN Advantage service area. Members must be entitled to Medicare Part A and enrolled in part B. This document is available in alternative formats. BCN Advantage is available in 31 Michigan counties: Allegan, Barry, Bay, Calhoun, Clinton, Eaton, Genesee, Gratiot, Ingham, Ionia, Jackson, Kalamazoo, Kent, Lapeer, Livingston, Macomb, Midland, Monroe, Montcalm, Muskegon, Newaygo, Oakland, Oceana, Ottawa, Saginaw, Shiawassee, St. Clair, Tuscola, Van Buren, Washtenaw and Wayne. Enrolled members must use BCN Advantage network providers for routine care. Our contract with the Centers for Medicare & Medicaid Services is renewed annually and the availability of coverage beyond the end of the current contract year is not guaranteed.
