### Step 3: Please read and sign

- You do not need more than one Medigap policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
- If you are age 65 or older, you may be eligible for benefits under Medicaid and may not need a Medigap policy.
- Health conditions which you may presently have (pre-existing conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.
- Your insurer will waive any time periods applicable to pre-existing conditions, waiting periods, elimination periods or probationary periods in the new policy or certificate for similar benefits to the extent such time was spent or depleted under the original coverage.
- If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medigap policy will be suspended during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medigap policy, or, if that is no longer available, a substantially equivalent policy, will be reinstated if requested within 90 days of losing Medicaid eligibility. If the Medigap policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- I understand that providing fraudulent information about my permanent residence, date of birth, height, weight, health status and tobacco use may result in cancellation of my policy, restitution and possible legal action against me by BCN for fraud.
- If, after thinking about it carefully, you still wish to drop your present coverage and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the insurer to deny any future claims and to refund your premium as though your policy or certificate had never been in force. After the application has been completed, and before you sign it, review it carefully to be certain that all information has been properly recorded.
- Acceptance of non-guaranteed issue enrollees will be subject to medical underwriting.
- Counseling services may be available in your state to provide advice concerning your purchase of Medigap insurance and concerning Medicaid. A copy of the *Guide to Health Insurance for People with Medicare* is available on the Medicare Web site at [www.medicare.gov/publications/pubs/pdf/02110.pdf](http://www.medicare.gov/publications/pubs/pdf/02110.pdf).
- Depending on information received, an individual may not meet the eligibility requirements for MyBlue Medigap membership.

**NOTICE TO APPLICANT REGARDING REPLACING  
MEDIGAP INSURANCE OR MEDICARE ADVANTAGE  
SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE**

**Blue Care Network of Michigan**  
P.O. Box 5043, MC C411  
Southfield, MI 48086-5043

According to your application, you intend to drop or otherwise terminate existing Medigap coverage or Medicare Advantage plan and replace it with a policy or certificate to be issued by Blue Care Network of Michigan. Your new policy or certificate provides 30 days within which you may decide without cost whether you desire to keep the policy or certificate.

Health conditions which you may presently have (pre-existing conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.

Your insurer will waive any time periods applicable to pre-existing conditions, waiting periods, elimination periods or probationary periods in the new policy or certificate for similar benefits to the extent such time was spent or depleted under the original coverage.

If, after thinking about it carefully, you still wish to drop your present coverage and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the insurer to deny any future claims and to refund your premium as though your policy or certificate had never been in force. After the application has been completed, and before you sign it, review it carefully to be certain that all information has been properly recorded.

You should review this new coverage carefully and compare it with all disability and other health coverage you now have and terminate your present coverage only if, after due consideration, you find that purchase of this Medigap coverage is a wise decision. Do not cancel your present policy until you have received your new policy and are sure that you want to keep it. The replacement policy is being purchased for the following reason(s) (check one):
